

The Sydnor Site Won.
Higginville Jeffersonian:
A special election was held in this city Saturday of last week to vote on a site for the new school building. There were three sites offered. The vote was as follows:
North School site.....131
Sydnor Site.....224
Asbury Site.....257
Under the plan adopted by the school board the site receiving the lowest vote had to drop out. This eliminated the North school site.
Another election was held Monday. The result was as follows:
Sydnor Site.....371
Asbury Site.....326
Majority for Sydnor Site.....45
Total vote cast.....697
The friends of the various sites worked faithfully for their choice.
The site selected is four blocks west of the court house and is high and dry, and can be easily seen from town. The street leading to the site will be made one of the best in the city. Granitoid walks will be put down.

Alma Notes in Higginville Advance:
Little Gertie Groves, the adopted daughter of Mrs. Mary Groves, died last Wednesday. Her death was caused by consumption. During her sufferings not a word of complaint was ever heard from her. She bore her cross most nobly and was an example for all who came in contact with her. Rev. C. C. Stohman, Supt. of the Children's Home Finding Association, of St. Louis, was present at her funeral. The bereaved ones have the heartfelt sympathy of our community.

BOOZE OR MEDICINE?
Which will you have? If a woman suffering from one of the delicate ailments peculiar to her sex it will be well for you to know that Dr. Pierce's Favorite Prescription is the only remedy advertised for such maladies which is absolutely free from intoxicating liquors and all other harmful agents. The good you feel from its use is not the delusive exhilaration from a tipping beverage, from which the system reacts into a worse condition than before. It may be a little slower in manifesting its bracing and invigorating action, but its benefits are none the less positive and, best of all, they are lasting. It's an honest medicine—not a beverage.
"I have been taking your medicine for the last three weeks and can say I am gaining strength," writes Mrs. Seneth Kinn, of 935 East Madison Street, Mount Pleasant, Iowa. "I have been feeling very weak and suffering with female trouble. Have taken only one bottle and am gaining strength very fast. I could not eat nor sleep when I began taking the 'Favorite Prescription.' Heart troubled me and I had cold and numb spells till my heart would almost stop beating. Have had one child since first taking your medicine. If I continue with your treatment am positive I will be cured."
Every suffering woman in this land should write to Dr. Pierce and learn how certainly he can help her to health and strength. It costs nothing to write and receive entirely free the advice of one of the most experienced physicians in this country. His great thousand-page book the Common Sense Medical Adviser, in stiff paper covers, will be sent free for 21 one-cent stamps the bare cost of mailing; or, send 4 stamps for cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.
These ORIGINAL Little Liver Pills, first put up by old Dr. R. V. Pierce over 40 years ago, have been much imitated but never equalled. They are made of pure, reliable, concentrated and refined medicinal principles, extracted from native American roots and plants. They speedily relieve and cure foul, torpid and deranged stomachs, Livers and Bowels and their attendant distressful ailments. One or two a laxative, three or four a cathartic.
Don't allow the dealer to insult your intelligence by offering his own remedy to you instead of this well-known preparation of Dr. Pierce.

A Hair Dressing

Nearly every one likes a fine hair dressing. Something to make the hair more manageable; to keep it from being too rough, or from splitting at the ends. Something, too, that will feed the hair at the same time, a regular hair-food. Well-fed hair will be strong, and will remain where it belongs—on the head, not on the comb.

Benefit to Agriculturists.
Norfolk, Va.—The value of free alcohol to the public can be better appreciated when the many uses of this product are known to the farmers of the country. Uncle Sam being desirous of giving the public the full benefit of the opportunities in store, purposes having an exhibit at the Jamestown Exposition showing the development and uses of denaturized alcohol which is made from the products of the farm and garden. This exhibit will be in charge of competent government officials of the Experiment Stations of the Department of Agriculture.

In connection with this Government exhibit will be exhibits of various kinds of internal combustion engines using denaturized alcohol for fuel. Farmers will learn at the Jamestown Exposition how to save labor in a thousand different ways. They will be shown how they can utilize machinery for sawing wood, chopping stock feed, pumping water and many other things. And the farmer's wife can employ machinery for doing her churning, washing, operating her sewing machine and in many other ways to save labor. Special machinery is already being made for utilizing this new and cheap fuel and so economical will be this fuel alcohol that every farmer can make his own supply from the waste products of his farm.

Uncle Sam will also show the public how to use denaturized alcohol as a fuel for heating and cooking purposes at home and for lighting the houses and country roads. He will teach the farmers how they may save time and expense by making their fuel and lights at so small a cost that their living expenses will be reduced to a minimum and their conveniences so greatly increased that they will find real luxury in living on a farm.

The Jamestown Exposition, where Uncle Sam's new show will be given free to everybody, will open its gates to the public on the historic shores of Hampton Roads, near Norfolk, Virginia, April 26th, 1907, and close Nov. 30th, 1907. It will be an international exposition, given in honor of the three hundredth anniversary of the first permanent English settlement in America.

Badly Burned.
Odesa Ledger:
Jessie, the little daughter of Mr. and Mrs. P. J. Hewler, was badly burned Thursday while playing with some fireworks that she supposed had been fired on the Fourth. One mine that had been lighted and went on with one shot still in it exploded while she was playing with it, the charge striking her in the face cutting her eyelids and forehead badly, burning her face and shooting it full of the fine powder dust, burning off her eyelashes, eye-brows and part of her hair.

THE SMILE
that won't come off, appears on baby's face after one bottle of White's Cream Vermifuge, the great worm medicine. Why not keep that smile on baby's face. If you keep this medicine on hand, you will never see anything else but smiles on his face. Mrs. S. Blackwell, Okla., writes: "My baby was peevish and fretful. Would not eat and I feared he would die. I used a bottle of White's Cream Vermifuge and he has not had a sick day since. Sold by Crenshaw & Young. 7-7ml
